

## **VILLAGE OF CLINTON WILDFIRE**

### **EVACUATION ALERT**

An evacuation alert has been issued by the Village of Clinton.

There is a wildfire approaching the Village of Clinton and the wildfire poses an imminent threat to people and property. Due to the potential danger to life and health, the Village of Clinton has issued an Evacuation Alert for the entire Village of Clinton, with the exception of the Chasm Mill site, as identified on the attached map.

An evacuation alert has been issued to prepare you to evacuate your premises and property should it be found necessary. Residents will be given as much advance warning as possible prior to the evacuation; however you may receive limited notice due to changing conditions.

#### **WHAT YOU SHOULD DO WHEN AN ALERT IS IN EFFECT**

1. Locate all family members and be prepared to evacuate your residence and property to an identified safe reception center.
2. Gather essential items such as medications, eyeglasses, valuable papers (insurance), photographs and immediate care needs for dependants.
3. Prepare to move any disabled persons and children.
4. Collect pets and pet needs.
5. If possible, move livestock to a safe area.

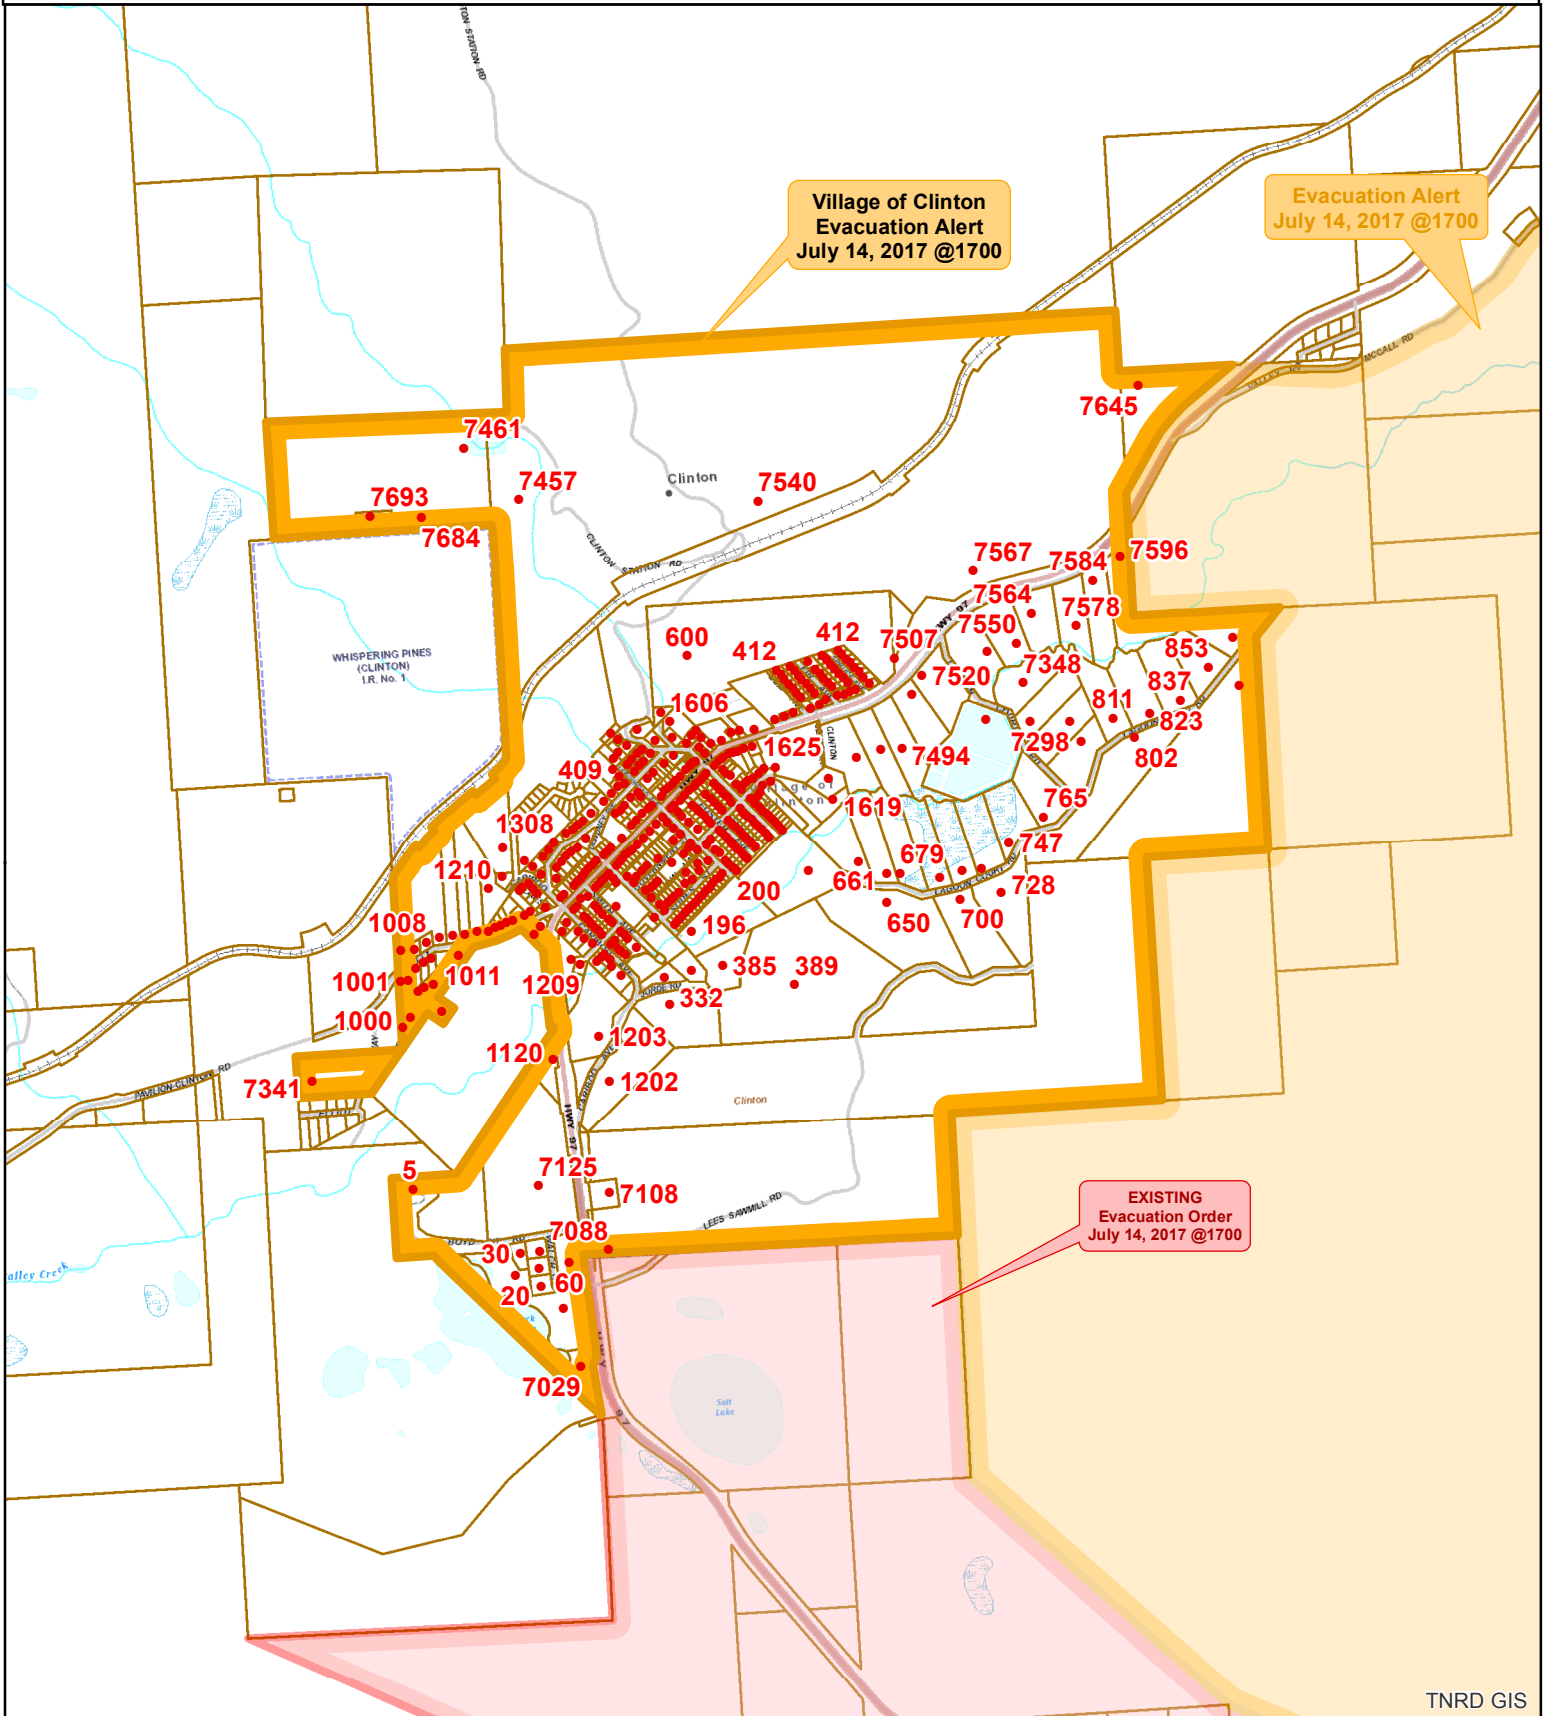

**IN THE EVENT AN EVACUATION IS REQUIRED**, residents in the Village of Clinton identified on the attached map will need to exit the area.

A Reception Center has been established at the Thompson Rivers University (TRU) Old Main Building, 900 McGill Road in Kamloops, BC.

All residents that have been evacuated must register with Emergency Social Services at the designated reception center. Registration provides emergency personnel and family members with a list of evacuees and will provide evacuated residents with food, shelter and other personal necessities.

If you require transportation assistance or more information contact the Thompson-Nicola Regional District Emergency Operations Centre at **1-866-377-7188**.
