# Donations for Fire Evacuees

**For Immediate Release (June 8, 2017 – 11:00 a.m.):** The general public has been quick to respond with offers of donations for fire evacuees.

At this time, the priority is to register all evacuees and ensure that their basic needs of accommodation and food is taken care of. We are asking all generous donations be held at this time by donors until we can provide further information on what items are required by evacuees and where donations can be dropped off.
