# TNRD Working to Provide Loon Lake

## Updates

**For Immediate Release (July 19, 2017 – 12:30 p.m.):** The Thompson Nicola Regional District's Rapid Damage Assessment team successfully surveyed most of the Loon Lake area yesterday. Since then, the TNRD has reached out to residents of Loon Lake in order to collect address information and has received dozens of replies.

Using the information from the rapid damage assessment team combined with the property information from residents, the TNRD is now in the process of matching assessments with properties and will provide residents with updates as soon as possible.
