### **What is the Proposed Black Pines Water Service Upgrade?**

The proposed upgrade includes construction of a new river intake, pumphouse, water treatment building and all required piping, pumps, electrical and mechanical works. The TNRD has successfully applied for grant funding for 2/3 of the cost of the proposed upgrade. The balance of costs would be the responsibility of property owners in Black Pines and approval to borrow up to \$460,000 will be required prior to accepting the 2/3 grant.

### **Who should attend the meeting?**

Property owners within the Black Pines Water service area.

### **What is the meeting about?**

A Public Information Meeting will be held to provide further information on the need for the upgrade, the upgrade design, costs and options as well as assent process. The meeting will be attended by representatives from the Ad-hoc committee, the design engineers, Interior Health and the TNRD.

### **When is the meeting?**

When: Tuesday, November 3<sup>rd</sup>, 2015

Time: 7:00 PM

Where: Whispering Pines Community Hall  
10153 Rodeo Way, Black Pines
