Merritt Recycling Depot Closes Sept. 1

For Immediate Release

(August 27/18): The TNRD would like to remind residents of the upcoming closure of the Merritt Municipal Recycling Depot on Main Street effective September 1, 2018.

This depot has been operated in partnership between the City of Merritt and the TNRD. The closure of this sites comes in the wake of the TNRD's recent partnership with Recycle BC combined with the continuing high levels of recycling contamination at unattended depots.

As a result of the closure, the TNRD would like to remind residents of the alternate recycling location. The Lower Nicola Eco-Depot, located at 2348 Woodward Road, is open seven days a week from 8 a.m. to 4 p.m. This site accepts all the materials previously accepted and more.

Residents are encouraged to download the TNRD Waste Wizard App from Google Play or the App Store in order to get an exhaustive list of disposal options.
