PRESS RELEASE

THOMPSON-NICOLA REGIONAL LIBRARY TO PURSUE A THIRD LOCATION IN KAMLOOPS

Kamloops, BC—March 3, 2020—the Thompson-Nicola Regional Library (TNRL) is looking for a location to build a third library branch in Kamloops.

At its last Committee of the Whole meeting, the TNRD Board of Directors unanimously approved recommendations for staff to acquire capital funding and to pursue site options for a new library location in the southwest area of the city.

“We’re committed to improving library services throughout the Regional District,” said Judy Moore, Chief Librarian. “We’re so delighted to have the support of the TNRD Board for this important next step in making the dream of a third library location a reality for the residents of South Kamloops!”

As part of the TNRL’s Facilities Master Plan, a new library was identified as the first key priority. A 25,000-square-foot site is required to provide space for parking the Mobile Library when not in use, and a location in Kamloops’ southwest will provide service to neighbourhoods that are projected to have significant population growth including Aberdeen.
