## TNRD HANDS OVER OCCUPANCY PERMIT FOR TRAINING HOUSE IN TOBIANO

On March 27, 2019, the Thompson-Nicola Regional District handed over the occupancy permit for the [Canadian Home Builders' Association Central Interior's](#) (CHBACI) Training House. The \$800,000 home is located in Tobiano, and this is the first year that the Training House has been built in the TNRD.

The Training House is the future Y Dream Home for the [Kamloops Community YMCA-YWCA](#) (YMCA) Dream Home Lottery. It was constructed through a partnership between CHBACI, [TRU's School of Trades and Technology](#) and the YMCA.

Representatives in attendance from the TNRD included Area "O" Director and Vice-Chair Bill Kershaw, Area "J" Director Ronaye Elliott, along with Pat Luscombe, Chief Building Inspector and Building Inspector Tony Bolton.

After the home changes ownership to the YMCA, tickets for the Dream Home Lottery will be available in April. To learn more about the project, visit <https://www.chbaci.ca/training-house.htm>.
